FOUNDATION for PROFESSIONAL ERGONOMICS

Judge_____

This sheet is only to help you rank projects or take notes on projects. Our head judge will turn in the Official Score Sheet for our organization.

HF-ness Score based on degree of value in terms of application to HF problems
BKGD Res Score based on degree of background research/scholarship apparent in the work; including supporting materials
Method Score based on sequencing and application of scientific method; Complexity can bear on this rating
Display Content and **Display Quality** Score should be weighted more strictly toward professional quality for Senior Division vs. Junior Division
Oral Presentation Score based on preparation, logical flow, depth of knowledge under questioning, and energy
Score value of 1 to 5: 1 poor; 2 fair; 3 good; 4 very good; 5 outstanding

Category Behavioral Sci; Eng; Math & Comp, etc.	Project # Student Name	Comments	HF-ness	BKGrD Res	Method	Creativity	Display Content	Display Quality	Oral Presentation	Total	Rank
